MOORESTOWN INTEGRATED PRESCHOOL PROGRAM

During the 2020-21 school year, the Moorestown Township Public School District will continue our tuition based, half-day integrated preschool program at South Valley, Roberts and Baker Elementary Schools for three and four-year-old children. Each class will include typically developing children and children with various developmental challenges, learning together in the same environment.

The goal of the program is to provide an enriched preschool experience that meets the social, emotional, physical and communication and cognitive needs of young children. The program structure is similar to a typical preschool program, as the teaching of developmentally appropriate skill areas is embedded throughout the school day. Throughout the week, our preschoolers attend art, library, music, and physical education classes. The classroom will be staffed with a certified teacher and 1 or 2 paraprofessionals.

In order to be considered for admission into the program, there are **four requirements** that must be met:

- Registration priority will be given to Moorestown residents. If extra space is available, non-resident students will be considered for the program.
- Students must be the designated age of the class on or before October 1, 2020*;
- Students must be toilet trained and;
- Students must have up-to-date immunizations.

****Students eligible for entrance into Kindergarten in September 2020, will not be considered for enrollment in the preschool program.***

The integrated preschool is a half-day program that meets five days per week; morning classes are from 8:40 to 11:40 A.M. and afternoon classes are from 12:35 to 3:35 P.M. **Children must be three and not yet five years old on or before October 1, 2020.** As a result of overwhelming demand, we are **not** able to honor requests for morning placements; AM and PM spots will be randomly assigned. Transportation is provided for students with developmental challenges. Tuition for the program is \$3,500 per year. Payments can be made in monthly installments. We anticipate openings for up to 60 students for the 2020-21 school year. Please note, space restrictions may impact class size and/or geographic school placement.

Please complete the attached application and include a non-refundable deposit of \$50.00. Return the form and deposit to **MTPS, Office of Registrar**, Preschool Program, 350 Bridgeboro Rd. Moorestown, NJ 08057.

For returning families, please complete the attached application and the first month's installment of \$350.00.

If you are a Moorestown resident and think your family would qualify for free and reduced lunch, you may be eligible for a tuition discount. For more information, please contact South Valley Principal, Ms. Heather Hackl, at 856-778-6640 or hhackl@mtps.com or Roberts Principal, Mr. Brian Carter at 856-778-6635 or bcarter@mtps.com, Mrs. Shelly Rowe at 856-778-6630 or mrowe@mtps.com.

Sincerely,

Carole L. Butler

If my child is selected for this program, I will register my child, provide a copy of his/her current physical examination and immunization records and pay a \$300 fee to be credited as September's tuition payment.

I wish to enroll my child in the integrated preschool class this fall. I understand this program is a half-day, five-days per week program, and tuition will be \$3,500.00 for the 2020-21 school year, payable in monthly installments.

To date, MTPS is not able to provide transportation for typically developing students. The district is exploring options and we will contact you should a typically developing transportation option becomes available for the 2020-21 school year.
