- a. Bridget Potts of 290 Crescent Avenue, provided a class size update.
- b. Dimitri Schneiberg stated that the budget including reductions in staff will worsen the class size problem. Student contribution to Board meetings always shows that we have great students. It is important for the Board and Administration to consider lessons learned. Communications are a challenge and needs to be better to parents. The note from Dr. McCartney was a bit of a miss due to various dates. The approach to instruction needs to include more live learning and a synchronous structured day. An in-person graduation that is mindful of distancing should be heavily considered.
- c. Kameron Rabenou thanked the Board and Administration for all the hard work. Children are at risk of not getting the education they need to be prepared for their futures. It is very important to make sure the execution of a model with complete education for next year is well thought out.
- d. Lisa Trapani, MEA President, stated that as a 30-year educator, one year has never been the same as the previous year. Teachers have embraced this change since day one. The District made changes immediately. New Jersey has the best education in the country. We are teaching reading, math, writing,

listening/speaking, geography, etc. Thank you to all those that support the district technology implementation plan because it has kept the District ahead of the curve.

- e. Dimitri Schneiberg stated he believes teachers have done an absolute amazing job deploying online learning.

## 1581 ~~VICTIM OF DOMESTIC OR SEXUAL VIOLENCE LEAVE~~

Policy and Regulation 1581 - Section A. sets forth the New Jersey Civil Service Commission's Uniform Domestic Violence Policy that all public employers shall adopt and distribute to all their employees in accordance with the requirements of N.J.S.A. 11A:2-6a. The purpose of the Uniform Domestic Violence Policy is to encourage public employees who are victims of domestic violence, and those impacted by domestic violence, to seek assistance from their public employer's human resources officer(s) and to provide a standard for a public employer's human resources officer(s) to follow when responding to employees.

Policy and Regulation 1581 – Section B. provides employment protection for employees of those employers as defined in N.J.S.A. 34:11C-2, who are victims of domestic violence or sexual violence in accordance with the provisions of the New Jersey Security and Financial Empowerment Act (NJ SAFE Act) - N.J.S.A. 34:11C-1 et seq.

### A. Uniform Domestic Violence Policy (N.J.S.A. 11A:2-6a)

All New Jersey public employees are covered under N.J.S.A. 11A:2-6a and Policy and Regulation 1581 – Section A. All public employers shall designate a Human Resources Officer (HRO) or equivalent to assist employees who are victims of domestic violence. The name and contact information of the designated HRO must be provided to all employees. Managers and supervisors are required to refer any employee who is experiencing domestic violence or who report witnessing domestic violence to the designated HRO.

Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO. Employees who have information about or witness an act of domestic violence against an employee are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must report to the appropriate authority in addition to reporting to the designated HRO.

~~Victim of Domestic or Sexual Violence Leave~~

Nothing in the Uniform Domestic Violence Policy and Policy and Regulation 1581 – Section A. shall preclude an employee from contacting 911 in emergency situations. HROs shall remind employees to contact 911 if they feel they are in immediate danger.

Each designated HRO shall comply with the requirements outlined in Regulation 1581 – Section A.4.d. In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law.

To ensure confidentiality and accuracy of information, the Uniform Domestic Violence Policy 1581 and Regulation 1581 – Section A.6. require the HRO to keep all documents and reports of domestic violence in a confidential personnel file separate from the employee's other personnel records.

Public employers in the State of New Jersey shall develop an action plan to identify, respond to, and correct employee performance issues that are caused by domestic violence, pursuant to N.J.S.A. 11A:2-6a, and in accordance with the guidelines outlined in Regulation 1581 - Section A.7.

Resources and program information will be readily available to assist victims of domestic violence.

A public employer may seek to modify Policy and Regulation 1581 to create additional protocols to protect victims of domestic violence, but may not modify in a way that reduces or compromises the safeguards and processes set in the Uniform Domestic Violence Policy.

- B. The New Jersey Security and Financial Empowerment Act – (N.J.S.A. 34:11C-1 et seq. - NJ SAFE Act)

The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1 et seq. (NJ SAFE Act), is a law that provides employment protection for victims of domestic or sexual violence. Any employee of an employer in the State of New Jersey as defined in N.J.S.A. 34:11C-2, who was a victim of an incident of domestic violence as defined in

~~Victim of Domestic or Sexual Violence Leave~~

N.J.S.A. 2C:25-19, or a sexually violent offense as defined in N.J.S.A. 30:4-27.26, or whose parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period next following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-3.

The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in the activities outlined in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3.a.(1)-(6) as they relate to the incident of domestic violence or sexually violent offense as outlined in Regulation 1581 - Section B.3.b.

An eligible employee may elect to use any accrued paid vacation leave, personal leave, or medical or sick leave of the employee, or any family temporary disability leave benefits provided pursuant to N.J.S.A. 43:21-27 during any part of the twenty-day period of unpaid leave provided under N.J.S.A. 34:11C-3.a.

Prior to taking the leave provided for in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B., an employee shall, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave, unless an emergency or other unforeseen circumstance precludes prior notice. The notice shall be provided to the employer as far in advance as is reasonable and practical under the circumstances.

Nothing contained in the NJ SAFE Act (N.J.S.A. 34:11C-1 et seq.) and Regulation 1581 - Section B., shall be construed to prohibit an employer from requiring that a period of leave provided pursuant to N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. be supported by the employee with documentation of the domestic violence or sexually violent offense which is the basis for the leave. If the employer requires documentation, the employee shall be regarded as having provided sufficient documentation if the employee provides supporting documentation outlined in N.J.S.A. 34:11C-3.c and Regulation 1581 – Section B.3.d.

An employer shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of the NJ SAFE Act.

An employer shall not discharge, harass, or otherwise discriminate, retaliate, or threaten to discharge, harass, or otherwise discriminate or retaliate against an employee with respect to the compensation, terms, conditions, or privileges of employment on the basis that the employee took or requested any leave to which the employee was entitled pursuant to N.J.S.A. 34:11C-3 of the NJ SAFE Act or on the basis that the employee refused to authorize the release of information deemed confidential pursuant to N.J.S.A. 34:11C-3.f of the NJ SAFE Act.

Upon a violation of any of the provisions N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4, an employee or former employee may institute a civil action in the Superior Court for relief. All remedies available in common law tort actions shall be available to a prevailing plaintiff. The Court may also order any or all of the relief outlined in N.J.S.A. 34:11C-5. ## 5460 HIGH SCHOOL GRADUATION (M)

### M

The Board of Education will recognize the successful completion of the secondary school instructional program by the award of a State-endorsed diploma certifying the student has met all State and local requirements for high school graduation. The Board will annually certify to the Executive County Superintendent each student who has been awarded a diploma has met the requirements for graduation.

#### A. High School Graduation Requirements

A graduating student must have earned a minimum of four-year high school: no fewer than one hundred twenty credits in courses designed to meet all of the New Jersey Student Learning Standards (NJSLs) including, but not limited to, the following credits:

1. \_\_\_(At least twenty) credits in English language arts aligned to grade nine through twelve standards;
2. \_\_\_(At least fifteen) credits in mathematics, including Algebra I or the content equivalent; geometry or the content equivalent; and a third year of mathematics that builds on the concepts and skills of algebra and geometry and that prepares students for college and 21<sup>st</sup> century careers;
3. \_\_\_(At least fifteen) credits in social studies, including satisfaction of N.J.S.A. 18A:35-1 and 18A:35-2; five credits in world history; and the integration of civics, economics, geography, and global content in all course offerings;
4. \_\_\_ (At least fifteen) credits in science, including at least five credits in laboratory biology/life science or the content equivalent; one additional laboratory/inquiry-based science course, which shall include chemistry, environmental science, or physics; and one additional laboratory/inquiry-based science course;

5. Four (4) credits in health, safety, and physical education during each year of enrollment, distributed as one hundred fifty minutes per week, as required by N.J.S.A. 18A:35-5, 7, and 8; and inclusive of the four (4) quarters of health education offered at MHS. Students with a medically authorized excuse may be excused from the physical activity part of the regular program and will be assigned an alternative activity. This core curriculum content area is required for every year of student attendance in grades 9-12. A minimum of 3 3/4 (150 minutes per week) or a maximum of 4 credits will be awarded for each year of successful participation.
6. \_\_\_ (At least five) credits in visual and performing arts;
7. \_\_\_ (At least five) credits in world languages or student demonstration of proficiency as set forth in N.J.A.C. 6A:8-5.1(a) 2ii (2); All students will be encouraged to fulfill the two-year world language requirement. A student is able to meet the world language requirement through “student demonstration of proficiency” as determined by the Oral Proficiency Interview (OPI) in a world language NOT offered in the Program of Studies. A student may appeal to the building principal for exemption from the two-year requirement. A student whose appeal is approved will be held to the NJDOE one-year world language requirement. Individual students with disabilities who have irresolvable scheduling conflicts would need to fulfill the one-year world language requirement. LEP students, who demonstrate proficiency in their native language or another language, would be exempt. LEP students who take an additional English or English as a Second Language (ESL) class may use that second English class to fulfill the requirement.
8. \_\_\_(At least two and one-half) credits in financial, economic, business, and entrepreneurial literacy;
9. Technological literacy, consistent with the NJSLS integrated throughout the curriculum;
10. \_\_\_ (At least five) credits in 21<sup>st</sup> century life and careers, or career-technical education; and

**To go into effect beginning with the Class of 2023, the following two courses will no longer be a graduation requirement as they will be included in other academic courses.**

- **(At least two and one-half) credits in College and Career Readiness;  
and**
  - **(At least two and one-half) credits in Computer Literacy.**
11. Electives as determined by the high school program sufficient to total a minimum of 120 hours (must be at least one hundred twenty) credits.

Courses intended to meet graduation requirements may be met in whole or in part through a traditional program where a “credit” means the award for student participation in the equivalent of a class period of instruction which meets for a minimum of forty minutes, one time a week, during the school year (N.J.A.C. 6A:8-1.3). Therefore, in the traditional MHS forty (40) minute period, a class that meets routinely for one class period for an average of 5 days per week, for the full year, shall yield 5 credits. Courses meeting for a portion of a year or a portion of a week shall be prorated accordingly.

Additionally, course requirements for graduation shall include statutory mandates. Currently, these would include United States and New Jersey history in N.J.S.A. 18A:35-1 and 2; civics in N.J.S.A. 18A:35-3; agricultural science in N.J.S.A. 18A:35-4.13; health, safety, and physical education in N.J.S.A. 18A:35-5, 6, 7, and 8; the Holocaust and genocides in N.J.S.A. 18A:35-28; and credit for seniors in active military service in N.J.S.A. 18A:36-17.

OR

The 120-credit requirement set forth above may be met in whole or in part through program completion of a range of experiences that enable students to pursue a variety of personalized learning opportunities (referred to as Personalized Learning Opportunities in the MHS Program of Studies and related documents). All students who plan on pursuing course work for credit outside of the parameters of the normal MHS curriculum must submit an application to be reviewed and approved by the Principal’s Credit Committee. Application forms may be obtained in the Guidance Office. Thorough review of the application’s requirements by the applicant and the parent/guardian should occur before consulting with a guidance counselor. Applications must be submitted to the Principal’s Credit Committee prior to August 15 for Semester 1; January 15 for Semester 2 course work. The Principal’s Credit Committee will examine

“Request for Personalized Learning Opportunity” based on the student’s rationale and the criteria outlined in this document.

Students are not permitted to begin participation in the proposed Personalized Learning Opportunity until approved by the Principal’s Credit Committee.

Models for developing Personalized Learning Opportunities or programs linked to the New Jersey Student Learning Standards include accredited college courses, interdisciplinary or theme-based programs, co-curricular or extra-curricular activities, magnet programs, student exchange programs, distance learning opportunities, internships, community service, or other structured learning experiences. Activities and programs developed in accordance with Personalized Learning Opportunities shall include appropriate assessments and ensure that student’s performance/proficiency meets or exceeds the NJSL. The Principal shall certify completion of curricular activities or programs based upon specified instructional objectives aimed at meeting or exceeding the Core Curriculum Content Standards.

All costs incurred by a student’s enrollment in such a program, including the costs of proficiency testing, are absorbed by the student’s parent/legal guardian.

Note: Minimum graduation requirements, as prescribed in N.J.A.C. 6A:8-5.1, do not equate to college admission requirements. MTPS actively encourages all students who have otherwise met the requirements for high school graduation to include in their programs of study a fourth year of the following additional credits: math, science, social studies and world languages aimed at preparation for entrance into post-secondary programs or 21st century careers.

As defined in N.J.A.C. 6A:8-1.3, “credit” means the award for the equivalent of a class period of instruction which meets for a minimum of forty minutes, one time per week during the school year or as approved through N.J.A.C. 6A:8-5.1(a)2.

The high school graduation credit requirement may be met in whole or in part through program completion of a range of experiences that enable students to pursue a variety of personalized learning opportunities, as follows:

1. The district shall establish a process to approve individualized student learning opportunities that meet or exceed the NJSLs.
  - a. Individualized student learning opportunities in all NJSLs areas include, but are not limited, to the following:
    - (1) Independent study;
    - (2) Online learning;
    - (3) Study abroad programs;
    - (4) Student exchange programs; and
    - (5) Structured learning experiences, including, but not limited to, work-based programs, internships, apprenticeships, and service learning experiences.
  - b. Individualized student learning opportunities based upon specific instructional objectives aimed at meeting or exceeding the NJSLs
    - (1) Be based on student interest and career goals as reflected in the Personalized Student Learning Plans;
    - (2) Include demonstration of student competency;
    - (3) Be certified for completion based on the district process adopted according to 2. below; and
    - (4) Be on file in the school district and subject to review by the Commissioner or designee.
  - c. Group programs based upon specific instructional objectives aimed at meeting or exceeding the NJSLs shall be permitted and shall be approved in the same manner as other approved courses.
2. The district shall establish a process for granting of credits through successful completion of assessments that verify student achievement

in meeting or exceeding the NJSLs at the high school level, including standards achieved by means of the individualized student learning opportunities enumerated as outlined in N.J.A.C. 6A:8-5.1(a)2. Such programs or assessments may occur all or in part prior to a student's high school enrollment; no such locally administered assessments shall preclude or exempt student participation in applicable Statewide assessments at grades three through twelve.

- a. The district shall choose assessments that are aligned with or exceed the NJSLs and may include locally designed assessments.
  - b. The district shall choose from among the following assessment options to determine if students have achieved the level of language proficiency designated as Novice-High as defined by the American Council on the Teaching of Foreign Languages (ACTFL) and recognized as fulfilling the world languages requirement.
    - (1) The Standards-based Measurement of Proficiency (STAMP) online assessment;
    - (2) The ACTFL Oral Proficiency Interview (OPI) or Modified Oral Proficiency Interview (MOPI); or
    - (3) Department of Education-approved locally designed competency-based assessments.
  3. The district shall establish a process to approve post-secondary learning opportunities that may consist of: Advanced Placement (AP) courses; the College-Level Examination Program (CLEP); or concurrent/dual enrollment at accredited higher education institutions.
    - a. The district shall award credit for successful completion of an approved, accredited college course that assures achievement of knowledge and skills that meets or exceeds the NJSLs

**WHEREAS**, The Board of Education of the Township of Moorestown in the County of Burlington, New Jersey (the “Board”) is created and is charged by law with the responsibility of providing a system of public education within the school district over which it has jurisdiction and to acquire equipment therefor; and

**WHEREAS**, the Board has determined to fund the acquisition and installation (as applicable) of computer technology equipment, buses, student textbooks and various equipment for buildings and grounds, including the financing costs and any additional incidental costs (the “Equipment”) by means of a lease purchase financing for a term that does not exceed five (5) years pursuant to the provisions of N.J.S.A. 18A:20-4.2(f) and N.J.S.A. 18A:18A-1 *et seq.*; and

**WHEREAS**, the Board has selected the Phoenix Advisors, LLC, as Financial Advisor (the “Financial Advisor”) and McManimon, Scotland & Baumann, LLC, as special counsel (the “Special Counsel”) for the purpose of advising and assisting with the proposed lease purchase financing of the Equipment; and

**WHEREAS**, the Board has followed the procedures required by N.J.S.A. 18A:20-4.2(f) and N.J.S.A. 18A:18A-1 *et seq.*, and the regulations promulgated thereunder; and

**WHEREAS**, the Board hereby authorizes the solicitation of bids for the financing of the Equipment pursuant to a lease purchase agreement for a principal amount of not to exceed \$1,025,000 and hereby ratifies the publication of the notice of request, if required; and

**WHEREAS**, in accordance with the procedures set forth in N.J.S.A. 18A:18A-1 *et seq.* (the “Public School Contracts Law”) and the regulations promulgated thereunder, a notice to the bidders was published, and bids are scheduled to be returned to the Business Administrator/Board Secretary, who, with the assistance of the Special Counsel and the Financial Advisor, will determine the lowest responsive and responsible purchaser (hereinafter referred to as the “Purchaser”) and the Board desires to authorize the award of the lease purchase financing to said Purchaser upon such determination; and

**WHEREAS**, the Board will enter into a lease purchase agreement (the “Lease”) and other related documents with the Purchaser in the amount of not to exceed \$1,025,000 to finance the Equipment; and

**WHEREAS**, the Board desires to authorize the award of the bid to the Business Administrator/Board Secretary, and further authorizes Business Administrator/Board Secretary, the Board President, Financial Advisor and Special Counsel to prepare and to execute the Lease

and certain other documents and agreements necessary or incidental to the transactions contemplated thereby;

**NOW THEREFORE BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE TOWNSHIP OF MOORESTOWN IN THE COUNTY OF BURLINGTON,** as follows:

Section 1. The Board hereby determines to finance the Equipment by means of a lease purchase financing in a principal amount not exceeding \$1,025,000 in accordance with the requirements of the Public School Contracts Law. The Business Administrator/Board Secretary, the Financial Advisor, the Special Counsel and other appropriate representatives of the Board are hereby authorized to prepare the necessary timetables and solicitation documents and other related documents as may be necessary and to take other steps necessary to prepare for and to implement the proposed financing.

Section 2. The Purchaser's interest rate will be held fixed for a period not to exceed thirty (30) days from the date of the bid. If the closing does not occur within thirty (30) days for the date of the bid, the interest rate will be calculated in accordance with the index rate established by the Financial Advisor and set forth in the bid specifications.

Section 3. The Board President and/or the Business Administrator/Board Secretary are hereby authorized to negotiate, execute and deliver, subject to the review of Special Counsel, the Lease, an agent or an escrow agreement, an assignment agreement, if necessary, and such other documents as may be necessary to consummate the transaction. The Business Administrator/Board Secretary is authorized to direct the investment of funds under an escrow deposit agreement (the "Escrow Agreement") between the Board and a GUDPA approved escrow agent, consistent with the provisions of New Jersey law and the Escrow Agreement, and

is authorized to enter into such agreement and to execute such documents on behalf of the Board as may be necessary therefor. The Business Administrator/Board Secretary is also authorized to pay any agreed upon fees of the escrow agent, if any. The Board President and/or Business Administrator/Board Secretary are also authorized and directed to take on behalf of the Board such other actions as shall be necessary and appropriate to accomplish the lease purchase financing for the Equipment in accordance with the terms of the lease and this resolution and pursuant to the terms of the agreements and instruments authorized to be prepared hereby and to accomplish the performance of the obligations of the Board in respect thereto.

Section 4. The payment of rent or other monies due under the Lease shall be made only from the General Fund of the Board. Neither the Board nor any agency, department or political subdivision thereof shall be obligated to pay any sum to the Purchaser under the Lease from any taxing source for the payment of any sums due under the Lease unless an appropriation is made in a duly approved budget of the Board. The obligations of the Board shall not constitute indebtedness of the Board or of the Township of Moorestown or of any department, agency or political subdivision thereof. The Lease shall set forth the term of the lease purchase agreement for the Equipment, the rental payments to be paid by the Board in respect thereof and the dates on which such rent shall be due and payable.

Section 5. The proceeds of the sale of the Lease shall be applied to (i) pay costs to acquire and to install the Equipment, and (ii) pay the costs of entering into the Lease.

Section 6. The Board hereby covenants that it will comply with any conditions subsequent imposed by the Internal Revenue Code of 1986, as amended (the "Code"), in order to preserve the exemption from taxation of interest on the Lease, including the requirement to

rebate all net investment earnings on the gross proceeds above the yield on the Lease, if applicable.

Section 7. The Board authorizes the Business Administrator/Board Secretary to act and determine on behalf of the Board whether the Lease may be designated as “bank qualified” within the meaning of Section 265 of the Code.

Section 8. The Board hereby declares its intent to issue the lease in the expected maximum principal amount of the Lease set forth herein and to use the proceeds of the Lease to pay or reimburse expenditures for the costs of the purpose for which the Lease is authorized herein. This resolution is a declaration of intent within the meaning and for the purposes of Treasury Regulations Section 1.150-2 or any successor provisions of federal income tax law.

Section 9. This resolution shall take effect immediately.

**SIDEBAR AGREEMENT  
AMENDING THE CURRENT  
COLLECTIVE BARGAINING AGREEMENT**

**WHEREAS**, the Moorestown Township Board of Education ("Board") has previously entered into a Collective Bargaining Agreement ("CBA") with the Moorestown Education Association ("Association") covering the period July 1, 2019 through June 30, 2022; and,

**WHEREAS**, an issue has arisen regarding ten members of the Association who did not receive raises in the 2019-2020 school year by no fault of either party; and,

**WHEREAS**, the Association has provided a list of names of the ten members impacted to the Board and/or its duly appointed and/or elected representatives; and,

**WHEREAS**, the CBA dated July 1, 2019 through June 30, 2022 under Article 7.A.1. establishes a Health Insurance Fund of \$135,000 in 2020-2021; and,

**WHEREAS**, the Board and the Association have discussed the provisions of this Sidebar Agreement, the issue giving rise to the same and possible resolution through their duly appointed and/or elected representatives; and,

**WHEREAS**, at the conclusion of those discussions, the Board and the Association, through their duly appointed and/or elected representatives, agreed to the provisions of this Agreement to modify the CBA such that the CBA shall be supplemented as follows:

- (1) The ten association members who received no raise in the 2019-2020 school year shall each receive a one-time \$500 payment with their final pay in June of 2020
- (2) The total cost of this salary adjustment (\$5,000) shall be deducted from the Health Insurance Fund available for the 2020-2021 school year, reducing that amount to \$130,000.
- (3) All other provisions of the current CBA shall remain in full force and effect.
- (4) The parties agree that this is a one-time solution to this emergent problem. The provisions of this Agreement shall not constitute past practice, nor bind the Parties in the future except as specifically provided herein.
- (5) The terms of this Agreement shall be effective immediately upon the execution and approval by the Association and Board of Education.

The parties intending to be legally bound have caused this Agreement to be approved and executed as of this \_\_\_ day of May 2020.
