MOORESTOWN INTEGRATED PRESCHOOL PROGRAM

During the 2024-25 school year, the Moorestown Township Public School District will continue our tuition based, half-day Integrated Preschool Program for three and four year old children. Each of our elementary schools (Baker, Roberts, and South Valley) will have morning and afternoon sessions. Each class will include typically developing children and children with various developmental challenges, learning together in the same environment. The goal of the program is to provide an enriched preschool experience that meets the physical, social, and cognitive needs of young children. The program structure is similar to a typical preschool program where teaching of developmentally appropriate skills are embedded within school day activities. Throughout the week, our preschoolers attend art, library, music, and physical education classes. The classroom will be staffed with a certified teacher and at least one paraprofessional.

In order to be considered for admission into the program, there are **four requirements** that must be met:

- Registration priority will be given to Moorestown residents. If extra space is available, non-resident students will be considered for the program;
- Students must be the designated age of the class on or before October 1, 2024*. **Children must be three and not yet five years old on or before October 1, 2024;**
- Students must be toilet trained and;
- Students must have up-to-date immunizations.

**Students eligible for entrance into Kindergarten in September 2024, will not be considered for enrollment in the preschool program.*

The integrated preschool is a half-day program that meets five days per week. Morning classes are from 8:40 to 11:40 A.M. and afternoon classes are from 12:35 to 3:35 P.M. Because of overwhelming demand, we are **not** able to honor requests for morning placements; AM and PM spots are assigned randomly. Transportation is provided for students with developmental challenges. Tuition for the program is \$3,700 per year. Payments can be made in monthly installments. We anticipate openings for up to 70 students for the 2024-25 school year. Please note space restrictions may affect class size and/or geographic school placement.

For first time applicants, please complete the attached application and include a non-refundable deposit of \$100.00. Return the form and deposit to **MTPS, Office of Registrar**, Preschool Program, 350 Bridgeboro Road, Moorestown, NJ 08057. **For returning families**, please complete the attached application and the first month's installment of \$370.00 by March 1, 2024 to be re-enrolled in the program for the 2024-25 school year.

If you are a Moorestown resident and think your family would qualify for free and reduced lunch, you may be eligible for a tuition discount.
