

SCHOOL SUPPLY LIST

Mrs. Ceccarelli
&
Mrs. Nary

We are requesting the supplies below for our students in the Choice Remote option. Students will be taught to use a Master Notebook organizational system. Daily supplies will be maintained in this binder. We feel this system will not only keep students organized while learning at home, but will also assist if transitioning back into in-person learning. These items are in place of items listed on the 5th Grade General Supply List.
