

Wildlife Drawing Club

Join the Wildlife Drawing Club where we will discuss a different interesting wild animal **every Monday afternoon at 3:00-4:00pm, following afternoon homeroom**. We will draw a different animal each week as we learn about the adaptations that make them successful in the wild, and learn about their habitat. Topics relating to threats each animal species faces in the wild will also be discussed.

Students will need to bring a **sketch book** (\$5-20 on Amazon.com) and **pencil** to each club meeting.

Sessions will run: 11/6, 11/13, 11/27, 12/4, 12/11, 12/18, 1/8, 1/22, 1/29, 2/5, 2/12, 2/26, 3/4, 3/11, 3/18, 3/25, 4/8, 4/15, 4/22, 4/29, 5/6, 5/13

Sign-ups due by November 1

Please turn your permission slip in to the Main Office 😊

The club is run by Ms. Edzenga
